GLORY HOLE GH – 300

TECHNICAL DATAS:

- Inside dim. : \varnothing 300 mm
- Long (depth): 300 mm
- two door with hole \varnothing 100 mm and 150 mm
- 1 burner gas/oxygen – 20 kW
- electronic switch ON/OFF, pedal commanding trought electric valves
- insulation materials - ceramic fiber
- proportion consumption of gas and oxygen is approximatelly 1 : 4 parts
- burner has fine regulation on flame, to avoid rich too high temperature
- price : 4.900 EUR
- price is EXW Pika d.o.o.
